

# **Regarding the reopening of Saga International Plaza from Monday, May 11, from 10:00 a.m.**

Request to all users of the Saga International Plaza:

Please observe the following measures to help prevent the spread of COVID-19.

- Please make sure to either wash your hands or to disinfect your hands with the disinfectant provided at the entrance, both before and after using this facility.
- Please also make sure to wash or disinfect your hands thoroughly when making use of books and such inside this facility.
- Please wear a mask if possible and practice good cough etiquette.
- If you feel unwell due to a fever or cough, please refrain from using the facility.
- Please practice social distancing (at least 2m).
- Please refrain from using this facility for long periods of time.
- If you have come from outside Saga Prefecture, please refrain from using this facility until May 31.
