

A useful **disaster drill** seminar for foreign residents

30th Sep (Sat)

1:30pm ~ 4pm

Free to join / Shuttle bus
English translation provided

◆ Eligible applicants: Foreign residents in SAGA ◆ Capacity: 40 people

It has been said Japan is a country where natural disasters may often occur. Do you ever have trouble understanding Japanese news when an earthquake or typhoon hits? Do you know where the closest evacuation site to your home is? Would you know how to call the emergency number 119 if there was a fire or accident? SPIRA has organized a disaster drill seminar to provide you with useful and helpful information in case of an emergency.

The seminar will involve the following experiences:

Firefighting
experience

Storm
experience

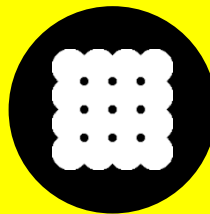

Rain storm
experience

First aid
experience

Call 119
experience

Try preserved food

**International Hall
at SAGA Uni**

12:10pm
